Our 1-1/4" thick center cuts are a specialty when it comes to a BBQ. This chop is two in one. It has the loin piece on the outside and the tenderloin on the inside. The chops turn out juicier because they're thick and attached to bone. This cut is perfect for grilling, smoking or just baking. Pork cuts processed in Nebraska, where they know good meat, that's great for grilling on your grill at home or at a tailgate party.
