An old Swedish, Norwegian & Scandinavian tradition. Our potato sausage is made from 80% lean quality pork, potatoes and onions all stuffed in natural casings. Another name for this sausage is Potatis Korv. Potatis Korv is traditionally served hot as a seasonal dish in Sweden, but it is also often served hot or cold throughout the year. Whether you grill it, fry it or simmer it, this one will bring back old memories. Sausages processed in Nebraska, where they know good meat, that's great for grilling on your grill at home or at a tailgate party.
